*Menasha Wrestling Club
Youth Coach*

ABOUT THE COACH

My wife and I have 2 boys in Menasha schools. I am a Pipefitter for J.F. Ahern and an avid outdoorsman. My family has been involved with the wrestling club since 2012.

PERSONAL WRESTLING HISTORY

I wrestled as a youth but did not continue into high school. I have trained in other forms of grappling after high school and have always enjoyed time on the mat.

COACHING GOALS

My goal in coaching wrestling is to instill a love of the sport and a good base for the wrestlers to build on. In the young ages, it's not about wins or losses. Just having fun and enjoying wrestling.

COACHING ACCOMPLISHMENTS

I have helped the transition for these wrestlers into middle school and beyond. In my three seasons, we have made great improvements and continue to build a strong program

COACHING HISTORY

I have been coaching in the youth program for three years. I have also coached baseball and T-ball.
